

City of Rush City

Inspection Application

Every property in the City of Rush City must have a Sanitary Sewer Service and Sump Pump Inspection completed and a Certificate of Compliance issued for the property. Any improper connections to the sanitary sewer or significant defects in the sanitary sewer service pipe must be corrected before a Certificate of Compliance will be issued. The cost of inspection is \$75.00 and payment is required at the time the application is submitted. Checks should be payable to the City of Rush City. Visa and Mastercard payments are also accepted.
